## THANK YOU, ANN

One of Kino's greatest resources is Ann Davis. As you know, in order to devote more time to our sizable high school population and her many other responsibilities, Ann will no longer be producing the *Kino Connection*.

For 17 years, Ann has informed us about important events, profiled people in the Kino Community, encouraged students to provide content for the newsletter, delighted us with wonderful pictures of ourselves, and amused us with her wry sense of humor. The Kino Community thanks Ann for the time, dedication, and creativity that has been the voice of the Kino Community.

Ann is passing the torch and is now in the process of teaching the fine art of desktop publishing to Diana so that the tradition of the *Kino Connection* can continue.

Thanks for it all, Ann.

## A HUMANE USE FOR FOUND MONEY

Last year, a total of \$127.25 was turned in to the front desk by students who found the money around Kino. If the money was unclaimed, it went into a special fund to be donated to a worthy community organization. At the end of last year, the entire student body voted and earmarked the money for the Humane Society.

The Humane Society will visit Kino on September 21 at 9 a.m. to receive this donation and to make a presentation about volunteer opportunities for students. They will also be accepting donations of pet food and supplies—so bring in your gifts of food, toys, litter, pet bedding, and other goodies on September 21 or before.

The Humane Society will be grateful for anything you can donate.

## KINO PHONE AND RESOURCE BOOK

The Kino Phone Book will be coming out towards the beginning of October. We would be pleased to include your business card, free of charge, in the back of the book.

If you would like to advertise your business in the Kino Phone Book, please provide a clean, reproducible business card to Diana at the front desk as soon as possible.

## A SAD TALE

Picture it: Your child wants to go on a field trip but has forgotten the permission slip you signed. Or, you forgot to sign it. And now there is an awesome field trip getting ready to load into the van. And this child calls and calls you for a verbal ok but the phone number in our records is out of date and we don't have your cell or business number.

If you wish to avoid this traumatic moment, please be sure to keep the front desk informed about any changes to your phone numbers, address, and e-mail accounts.

Also, let us know if your child has had any new immunizations that may not be on his or her emergency contact card.

## Happy New Year!

This year, Rosh Hashanah (literally, "the head of the year") begins at sunset on September 12 and is observed until sunset on September 13. Some of our Kino Community may not be in school on September 13 in observance of this holiday. The day is usually spent in synagogue and at special gatherings of family and friends.

So, Shana Tova (Happy New Year), and in case you want to know, the new year is 5768.
