## GO CLUB

Go Club meets every Friday afternoon at 1:30. Go is an ancient game that originated in China, with a definite history of over 3,000 years. Our Go Club has been meeting for a mere year and a half. Neill and Vanessa are there to instruct new students, clarify rules, and are always ready to take on a student challenger!

Go is played by 2 players alternately placing black and white stones on the vacant intersections of a line grid. The objective is to control a larger part of the board than the opponent by placing one's stones in such a way that they form territories that cannot be captured by the opponent. The name *Go* comes from the Japanese name *Igo* which means "surrounding board game."

Go has always been one of the most played games in the world. It has been claimed, also, that Go is the most complex game in the world.

## WOULDJA BELIEVE?

By Michael McClintock

During World War II, soldier William A. Ball was on patrol when an enemy sniper shot him with an armor-piercing bullet. The deadly lead shot through two other bullets in a cartridge box in Ball's jacket before piercing Ball's flesh. Luckily, the cartridges slowed the bullet just enough, and Ball survived. This may be the only instance when bullets saved a life instead of ending one!

## ¡ TENEMOS GUSTO DE GUSANOS !

*(We Like Worms!)*

Marielena, Rocky, y Hallie hacen gusanos en el centro primario. Ellos usan cajas de huevos, adornos, y mucha pintura.

*(Marielena, Rocky, and Hallie make worms in the primary center. They are using egg cartons, decorations, and a lot of paint.)*

Overheard in Heather's homeroom:

*Heather:* "So that is what the Board of Directors' meeting is."

*Diego:* "My dad is King of the Board meeting. He tries to keep everyone bored!"

Board meeting tonight at 7 p.m. at Kino. Everyone welcome and encouraged to attend. Congrats to Harrison and Andrew, student reps to the Board.

## SHOP TALK

Beneath the spreading, leafy arms of the bicycle tree (native only to the Sonoran Desert in Kino's side yard), Ed guides a group of students through the basics of metal working. Austin is just learning his way around the metal shop. Aidan looks on while Casey prepares to strike and bend a strip of metal. Aidan is working on a motorized go kart and Casey is continuing work on a motorized scooter. Ethan is assisting Ed on a table project.

## SICK OF COOKING?

Are you ready to turn your oven into a planter?

Then mark your calendars for Tuesday evening, October 2. Kino is having a fundraiser at the Sweet Tomatoes restaurant on Wetmore and Stone from 5-8 p.m.

Go to Sweet Tomatoes with your family and have dinner and a beverage for a fun evening of "quality time" together.

Sweet Tomatoes will donate 15% of their total Kino dinner sales back to Kino School.

Please ask Diana or Lisa for a Sweet Tomatoes flyer. You must present this flyer at dinner for Kino

## WE NEED STUFF FOR THE GREAT KINO YARD SALE SATURDAY, OCTOBER 13

The shed is waiting for your stuff! We will also need volunteers to sort the stuff, set up the stuff, rearrange the stuff, and pack up the stuff.
