WELCOME A NEW KINO FACE!

Please welcome Tarantella, our newest Kino community member. Tarantella the tarantula resides in the Primary/Midlevel Science Center and was donated to the school by Josef Robbins.

YOUR ANNUAL APPEAL DOLLARS AT WORK

Your annual appeal dollars are hard at work. Chris Schulz, Zach Schulz, and Charlie Duncan installed the new fascia around the front and sides of the school. Look for more renovation to come!

The gorgeous leaves that now adorn the metal vines around our mailbox were created and installed by Slade Smedley and were produced by Slade in the metal shop.

CALLING ALL STUDENT ARTISTS

Kino School has been invited to exhibit student art work at Tohono Chul Park from June 12 to July 8. Exhibitors get free tickets for their families to view their displayed pieces.

If you have something you would like to place in the exhibit, please see Judy as soon as possible. We must have everything ready by May 15.

FLOWER POWER!

The girls' bathroom is a beautiful work-in-progress.

Martha Martin and her crew have begun decorating the mirror wall with their lovely tiles. Come on in and take a look.
